“The 2013 V Block Cabernet Sauvignon is a blend of 90% cabernet sauvignon and 10% merlot from Yountville in Napa. The fruit comes from a vineyard considered by many to be among the best in Yountville. The resulting fruit showcases a broadly structured style of cabernet with opulent notes of ripe black fruits, graphite, and dark chocolate, all framed by firm tannins.”

92 POINTS, WINE ENTHUSIAST *(August 1, 2016)*

“A very ripe, sweet boysenberry aroma sets the tone for this very full-bodied, fruit-drenched wine. It fairly oozes blackberry flavors, feels rich and broad on the palate and has a firm but not very tannic texture. It's easy to enjoy this exuberant wine now through 2023.”

92 POINTS, WWW.JAMESUCKLING.COM *(December 31, 2015)*

“A rich and flavorful red with lots of dried-fruit and tar character. Full body and a juicy finish.”

91 POINTS, DECANTER *(February 2017)*

“Rich fruit cake characters persist on the nose and palate, with a full weight of fruit and bold ripe tannins. It is forthright with rhubarb and vanilla flavours.”

91 POINTS, WINE ADVOCATE - ISSUE 222 *(December 31, 2015)*

“The 2013 Cabernet Sauvignon Liparita Cellars V Block from Yountville is a blend of 90% Cabernet Sauvignon and 10% Merlot. This is another reasonably appealing value in Napa. Full-bodied and rich, with notes of graphite, blackberry and cassis, this opulent full-bodied wine is best drunk over the next 10-15 years.”
